

ANIKET KUMAR

Master of Business Administration

Delhi, India | +91 93152 22919 | aniketkumar57658@gmail.com

PROFESSIONAL SUMMARY

MBA graduate with a B.Com (Honours) foundation, with three completed internships in digital marketing, content strategy, and campaign management. Ran live Meta Ads campaigns, managed two Instagram pages, and delivered client-facing marketing work (display ads, WordPress updates) at Arete Software. Earlier roles produced a 22% rise in campaign ROI and a 20% increase in audience engagement. Also co-authored a Best Paper Award-winning study applying ARIMA forecasting to EV stock trends. Now seeking a full-time, entry-level Marketing role to apply this practical, campaign-tested experience from day one.

CORE SKILLS

- Digital Marketing: Campaign Management, SEO, Meta Ads, Content Strategy, Social Media Marketing, WordPress
- Analytics & Tools: Power BI, Google Analytics, MS Excel, Market Research, Consumer Insights
- Business: Business Analysis & Strategy, Project Management, Operations, Consumer Behaviour
- Other: Communication & Presentation, Canva, MS Office Suite

WORK EXPERIENCE

Marketing Intern — Arete Software

Jul 2026 – Oct 2026

- Managed and grew 2 Instagram pages, handling content posting, community engagement, and brand consistency.
- Planned and ran Meta Ads campaigns with a ₹10,000 monthly budget, optimizing targeting to improve reach and cost-efficiency.
- Designed large-format digital display ads and social creatives used across Instagram and LinkedIn campaigns.
- Created and scheduled paid and organic ad content for Instagram and LinkedIn to support campaign goals.
- Updated website pages using WordPress to support ongoing marketing initiatives.

Digital Marketing Intern — CodeKaroYaaro

Jul 2025 – Sep 2025

- Managed full-cycle digital marketing campaigns end-to-end, strengthening brand identity and increasing user engagement across social channels.
- Increased campaign ROI by 22% by analyzing market trends and consumer data to refine audience targeting.
- Tracked and interpreted campaign performance metrics to inform ongoing targeting and content strategy decisions.

Content Writing & Marketing Intern — Kshitiksha Foundation

Apr 2025 – Jun 2025

- Wrote 18+ content pieces (blogs, social media posts) that increased social media engagement by 20%.
- Earned a 'Superior' performance rating and formal recognition from the Executive Director for content quality and consistent on-time delivery.

RESEARCH & PUBLICATIONS

Lead Co-Author — “Financial Forecasting Trends with AI”

Sep 2025

- Received the Best Paper Award for research applying an ARIMA model to forecast EV stock trends and assess the impact of COVID-19.
- Used AI tools for data analysis and visualization; presented findings at two national conferences.
